

Hi TCS families,

This year TCS is doing an all school fundraiser selling Davison Apples. We are selling boxes of Gala, Ambrosia and Honeycrisp apples. **Order deadline is morning of October 3, 2023 and pick up date is October 17, 2023,**

The sales will be recorded by each TCS family to distribute to their apple clients and submission of a finalized order form with one final e-transfer, cheque or cash to the school office no later than the morning of Tuesday, October 3, 2023. Please make sure to have clients write the cheque to you and then submit one e-transfer or cheque to TCS with your order. Apples will not be ordered without full payment. Each family will be responsible to distribute their own apple sales which will be available on October 17, 2023. All the details are on the order form attached. Pick up will be by family on October 17, 2023 from 1-3 pm or 3:45-5 pm from the side gym doors.

There is a fun family prize incentive for selling the apples. For every 5 boxes sold, the family name will be placed in a prize ballot to win an Amazon gift card valued at \$25. For every 20 boxes sold the family name will be placed in a prize ballot to win an Amazon gift card valued at \$100. There are a total of three \$25 gift card prizes and one \$100 gift card prize.

The apple distribution pick up event on October 17, 2023 will be hosted by grade 8 students and parents. More details to gain experience week points to follow for grade 8 parents.

Thank you in advance for participating in this school wide event. Please email gjboulton@telus.net if you have any further questions about this fundraiser.
