

CHRISTIAN CURRICULUM CORNER

But Ruth said, "Do not urge me to leave you or to return from following you. For where you go I will go, and where you lodge I will lodge. Your people shall be my people, and your God my God."

Ruth 1:16

He who did not spare his own Son but gave him up for us all, how will he not also with him graciously give us all things?

Romans 8:32

Grandparents' & Special Friends' Tea

We had such a lovely morning with so many grandparents and special friends attending our annual tea! We as a school are so blessed to have generational love and support from so many amazing people. The program was great, but the highlight is always when our guests get to visit the students in their classrooms.

TCS Family Stories

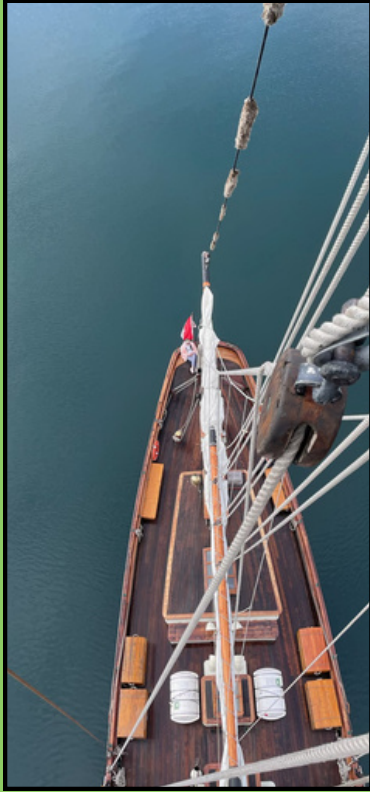

As we celebrate 30 years of TCS, we have been reflecting on God's faithfulness in a number of ways, one of which is by sharing stories from our TCS families. [Click here](#) to read these stories on our website and remember to check back as they will continue to be added throughout the remainder of the year.

YEARBOOKS

Each TCS family will receive one yearbook. If you would like to order any additional books, [click here](#) and order by May 29th, 2024.

S.A.L.T.S.

A group of our Grade 9 students along with some parents and staff set sail on S.A.L.T.S. at the end of April. It was the experience of a lifetime where much fun was had and so many memories made. To see the S.A.L.T.S. blog for photos and more, [click here](#).

TCS LEARNING SUPPORT SERVICES

Revised excerpt from
Dianne Bassett, Ed
Coord, Renfrew

While children think in terms of fun, fresh air and wonder while playing outside, teachers think in terms of learning:

- Speech and language areas - spontaneous language dramatically increases when children play outside
- Physical areas - leaping, running, jumping, chasing, and climbing all develop large motor skills
- Occupational areas - small fingers work hard and there are all kinds of sensory experiences waiting in God's world
- Social areas - talking to friends, sharing, turn-taking, negotiating and group exploring grow strong social connections
- Emotional areas - risk-taking, the power of 'being free' and feeling connected to a larger world encourage positive emotional development
- Cognitive areas - problem-solving skills ("what will happen if..."), observing and experiencing the way the world works develop a child's mind

Wellness Tip of the Month

Miss Hailey Peters, our Making Connections Worker, has our new Wellness Tip of the Month. It is available on the blog on our website. [Click here](#) to read this month's tip that focuses on the importance of getting moving!

We also want to welcome back Ms. Alyssa Blake after returning from maternity leave. [Click here](#) to see her contact information and bio.

Hi Parents of TCS,

We are so excited to be able to provide you with a wonderful resource from The Centre for Parents and Youth Understanding (www.cpyu.org). The CPYU Parent Page is a monthly newsletter designed by the Center for Parent/Youth Understanding to help keep parents informed about the latest happenings and trends in the world of youth culture. Helping parents and youth workers understand and respond to the complex world of their children and teens from a distinctively Christian point of view is what CPYU is all about. To read the monthly newsletter, please [click here](#).

We hope this will better equip you to disciple, love, encourage and challenge your children. If you have any questions, please don't hesitate to contact me.

Sincerely, Pastor Tim
