## CHRISTIAN CURRICULUM CORNER

*When Daniel knew that the document had been signed, he went to his house where he had windows in his upper chamber open toward Jerusalem. He got down on his knees three times a day and prayed and gave thanks before his God, as he had done previously.*

*Daniel 6:10*

*My God sent his angel and shut the lions' mouths, and they have not harmed me, because I was found blameless before him; and also before you, O king, I have done no harm."*

We are so proud of all the hard work our students, staff, and volunteers put into the amazing production of Annie Jr. With four well attended performances, the

audience sang along, laughed, and encouraged these incredible performers as they came alive on the stage. [Click here](#) for Day 1 and [click here](#) for Day 2 to view many more photos on the blog.

### TCS LEARNING SUPPORT SERVICES

Summer Activities for Outdoor Fun (While Improving Skill Levels)

#### Tactile Experiences:

- 1) Fill a small inflatable swimming pool with water, sponges, and ice cubes. Encourage your child to experiment with texture, temperature, and splashing.
- 2) Bury your child's body parts in sand, leaves, or grass clippings, then hose her off.
- 3) Have your child walk barefoot in the grass or lie down and roll across the yard. Encourage him to join in races where children crawl across the grass as fast as possible and knock down a tower of bottles at the finish line.

#### Large & Fine Motor Development:

- 1) Have your child decorate an outdoor area with tiny stones or collect pretty rocks and sort them in an egg carton.
- 2) Allow your child and a friend to have an outdoor water fight, chasing each other and squeezing the handles on spray bottles.
- 3) Give your child sidewalk chalk to draw pictures and words.
- 4) Encourage lots of play on the equipment at the park.
